

MEMBERS:

1. Sam's Town Hotel and Casino add prize money to your tournaments each year. They have added over thirty thousand dollars (**\$30,000.00**) to this springs events. The amount of this added money is partially determined based on your play in the casino. Make sure you are showing your Club Coast Card to the dealers and inserting this card when you play slot machines. Remember it is always best to stay where you play. If you have a casino host, make sure they know you are there because of the Amateur Bowlers Tour tournament.
2. As you enter the main check-in room you will approach the check in table. You will be asked which event you are entering. You will then be asked if you want any other optional (cross-over) tournaments. The crossover-side tournaments include: The Sam's Town Invitational, The Tournament of Champions, The Seniors, and the Bowling Rewards Gold Members Only.
3. You will then be asked if you want the high game side pots (POTS) FOR **\$15.00**, The Progressive Pot for (**\$5.00 to \$20.00**). In order to make sure you are eligible to win the Progressive Pot, you should enter this optional pot on each entry. This will be you first stop in the check in room. Your next stop, if you want is BRACKETS or FUTURES.
4. Futures are just that, pre-paying for future squads in the main tournament. Futures do not include the side tournaments. Brackets can and should be signed up for in the tournament room. A last chance to get into brackets will be offered on the lanes during practice. Once practice has concluded, no more brackets will be offered.
5. If you have any questions, please contact the Directors near the Bowling Centers main control desk behind lanes 27-30. The check-in room gets very hectic with 90 minute squads, so please have your questions answered before you go upstairs to the check-in room. All qualifying except the doubles tournament is three (3) games.
6. A room is provided near the check-in room for ball storage. This room is only secured over night. We are NOT responsible for lost or stolen items from this room. We suggest you take your bowling equipment to your room for storage.
7. ABT memberships can be upgraded to the Bowling Rewards national membership program at these National events. See the Bowling Rewards Staff by the bowling centers main control desk, for more information on this "Cash Back" Bonus Program.

Thank you for your time and attention. We look forward to all our members having an enjoyable tournament. We'll see you at Sam's Town.
